

## Children's Museum of Phoenix Birthday Party Favor Bags

Please pick the items that you would like to be placed in your bag. The prices listed are per item, and we require a cost of at least \$2.50 per bag with a minimum of 10 bags. Please have your final selection ready when a Museum representative contacts you 5 days before your party date to confirm final details. You are welcome to add your own gifts to your favor bags on the day of your party. The bags will be in the Birthday Party Room 15 minutes before the start of your party.
